Our college conducted a full day work shop on “Placement Training and Soft skills” Session on 04-12-2020. The speaker on this day is G. Lakshmi Saraswathi, Assistant Professor. The main idea of this session is to prepare the students for interviews, to improve their conversational skills with patients. Speaking alone is not enough but speaking worthy is more important. Mrs. G. Lakshmi Saraswathi encouraged students to speak out and try to answer every question asked in the interview. Be brave enough to tell them politely that you do not know the answer if you are unaware of it. There was an interesting power point presented over body language which made students laugh at the same time learn correct body language. She also cleared student’s doubts about interviews. Students participated in this session actively and gave their feedbacks at the end of the session. 62 members have participated actively in the Program. The College management and Principal expressed gratitude for helping out the students by making them confident enough to attend interviews.
