Sir C R Reddy College of Pharmaceutical Sciences conducted a seminar on "Training for Interviews" on 24th June 2019 at the college seminar hall for Fourth B. Pharm and Pharm. D students. The Speaker was Mrs. Lakshmi Saraswathi, Assistant Professor at Sir C R R Autonomous Degree College, Eluru. The students were trained to give their self-introductions. Lakshmi Saraswathi explained the importance of having a worthy Resume for interviews. She made the students answer a few common questions asked in the interview and later help them frame better answers for those questions. She gave them a few steps to improve their answers and made them participate in a mock interview conducted at the college seminar hall. The seminar was concluded by showing the students a few mock interviews conducted using a PowerPoint presentation which caught the interest of the students. Students participated in this session actively and gave open feedback at the end of the session. The students have promised that they will attempt at least one interview this year with confidence. 80 members have participated very actively in the programme. The College management and Dean of academics expressed gratitude to Mrs. Lakshmi Saraswathi for encouraging the students towards competitive exams.

Sir C R Reddy College of Pharmaceutical Sciences conducted a programme "Interview Skills" on 19th Sept 2019 at the college seminar hall. The speaker was A. N. Surya Kumari, Assistant Professor. Miss Surya at first made the students understand the importance of Interviews.

The speaker answered the most confusing questions about interviews:

- Why are interview skills important?
- What are interview skills?
- Examples of interview skills.

The session further continued with how well we can crack an interview if we prepare even before going to an interview. Verbal communication, Non-verbal communication, Time management, Confidence, Active listening, Positive Attitude are a few skills you have to master first. Make a good first impression. Dress appropriately. Improve your interview skills. Use the star technique to answer questions. Express gratitude after the interview. Students participated in this session actively and gave open feedback at the end of the session. The students have promised that they will attempt at least one exam in this year with confidence. 43 members have participated very actively in the programme. The College management and Dean of academics expressed gratitude for encouraging the students towards competitive exams.

Sir C R Reddy College of Pharmaceutical Sciences conducted a "Career Guidance" programme by Mr. Kiran Kumar, CEO of Rise Trainings, Nellore on 23rd December 2019 at the college seminar hall. The speaker mentioned various career opportunities they can choose based upon their interest. He also suggested the best places and companies suitable for a successful growth in that particular field. Through a very effective PowerPoint presentation he explained the various opportunities that the students can take up soon after their graduation course. There are a wide variety of rewarding careers available to a graduate after they complete a B Pharmacy such as: Analytical Chemist, Food or Drug inspector, Hospital Drug Coordinator, Drug Therapist, Chemical Technician, Drug inspector, Pharmacist etc. This presentation grabbed the attention of all the students and faculty with the various ways how Pharmacy courses can be fruitful in future. Students participated in this session actively and gave open feedback at the end of the session. 254 members have participated very actively in the programme. The College management and Dean of academics expressed gratitude for encouraging the students towards competitive exams.
