Our college conducted a Career Counselling programme on 9th Feb 2023. The speaker on this day is Mr B. Subramanya Sharma, Executive Director at Aquity Solutions Pvt Ltd from Hyderabad. He motivated students by saying the importance of a pharmacist to society. A pharmacist is of utmost importance in the medical field since a well-educated pharmacist tends to know more about medicinal drugs—their composition, side effects, doses, reactions, and adverse effects, than any doctor would. B. Pharm is an extensive field that has endless possibilities. This gives the chance to indulge in diverse fields after graduation. Apart from jobs in the medical field, pharmacists are also recruited in government sectors. Saying this he guided students speaking about various career opportunities for Pharmacy students. A few among the mentioned opportunities are: R&D, Researcher, Pharmacovigilance, Drug Inspector, Professor, Healthcare consultant, Medical Representative Etc. Students were very happy to attend this session and most of them came out with positive feedback. 137 members participated in this seminar. The college management and Dean of academics thanked Mr. B.
