NUID: 002966775
Campus: Boston

Dear Alaikhya Jones:

It is my pleasure to inform you that you have been accepted into Northeastern University's College of Professional Studies Master of Science in Regulatory Affairs program for the Winter 2022 term at the Boston campus with a January start date.

Our regionally accredited programs provide an educational experience that is founded on proven scholarship strengthened through practical application and sustained by academic excellence. Here at the College of Professional Studies, we are committed to providing you with a high level of academic excellence and superior service.

Your acceptance to the College of Professional Studies is granted under the following condition(s):

You must submit final official transcripts showing degree conferral and date.

You must meet the minimum English language proficiency required.

Additionally, your offer of admission is contingent upon your satisfaction of all local, state, and federal laws.

The English Language proficiency requirement can be found out at <https://cps.northeastern.edu/admissions/international/language-requirements>. Once you have submitted proof that you have met the required English language proficiency scores, you will then be eligible to receive an I-20.

There are several programs available to help you improve your English Language skills. As a convenience to our students we have an established partnership with the Global Pathways program. If you are interested in more information about Global Pathways please visit <https://international.northeastern.edu/global-pathways/> or send an email to <mailto:globalpathways@northeastern.edu>. To apply to Global Pathways, please visit <https://northeastern.secure.force.com/GlobalPathways>.

Upon successfully meeting the condition of your acceptance, you will be formally accepted into the program and admitted to the University. If the condition is not met, your conditional admittance will be rescinded and you will not be able to continue to register for classes. You will be notified should any changes to your condition of acceptance and/or program requirements occur and be held to the new standards. It is also important to note that you are required to follow the program curriculum that is in effect during the term of your first enrollment. Please review the curricula at the beginning of your start term to be sure that you have the most up to date information.

Now that you have been accepted, please confirm that you plan to attend by completing the enrollment confirmation form. This is also a great time to visit our website for accepted students which will help guide you through the enrollment confirmation process and important next steps such as activating your myNortheastern account, submitting official transcripts, and exploring program curriculum.

In addition, you can view our current course offerings online at <https://registrar.northeastern.edu/group/catalog/>. It is important to note that you are required to follow the program curriculum that is in effect during the Winter 2022 term. Please review the curricula at the beginning of your start term to be sure you have the most up to date information.

Registration will open six weeks prior to the start term. Once registration is open for the Winter 2022 term, you should create your myNortheastern account. myNortheastern is a portal where you will receive critical information from the University and College, access billing and course information, and several other student related items. Once you have created your account you can proceed to register for classes via the student portal.

All admitted students who will be studying with an F-1 visa would need a Form I-20. Please contact the office of Global Services to begin your I-20 process at <https://international.northeastern.edu/ogs/getting-started/>

On behalf of the faculty and administration at Northeastern University, I would like to congratulate you on your admission. I am sure you will find the College of Professional Studies an exciting and intellectually challenging place to further your education.

Sincerely,

INTERNATIONAL ADMISSIONS

Dear Durga Raghavendra,

Congratulations on your admission to Sacred Heart University for the MS in Healthcare Informatics program ! Please make sure that all information entered on the I-20 is correct (name, date of birth, country of birth and citizenship, education level and program of study, and your financial information). If not correct, please contact our office immediately. Listed below is important information, please read carefully.

IMPORTANT DATES

- **July 30, 2022:** Earliest date you can enter the U.S. You cannot enter the U.S. as a student prior to this date.
- **August 29, 2022:** MANDATORY Orientation before classes begin--you will receive an email requesting to confirm your attendance.
- **August 29, 2022:** Latest date you can enter the U.S. You cannot arrive any later than the Program Start Date on your I-20. You may not be granted entry to the U.S. If you cannot arrive by this date, please contact International and Immigration Services.
- **September 6, 2022:** Classes begin

University policy states that you cannot switch majors upon arrival at Sacred Heart University

SEVIS FEE/SCHOOL CODE

Now that you have received your Form I-20 you have to pay a \$350 SEVIS Fee by filing Form I-901 before you obtain your U.S. visa. The easiest way to do this is through the internet at www.FMJfee.com.

Sacred Heart University's school code is **BOS214F10554000**.

Make sure you enter your personal information exactly as it appears on your Form I-20 (and passport). If not correct, please contact us before paying the fee.

GETTING A U.S. VISA

After paying your SEVIS I-901 fee, please go to www.travel.state.gov for instructions on how to obtain your U.S. visa. Click on U.S. Visas, Study & Exchange, Student Visas.

To obtain a U.S. visa your first step will be to complete Form DS-160, upload your photo, and pay the required \$160 application fee. After completing your DS-160, schedule an interview at the U.S. consulate or embassy at your place of residence. **F-1 visa appointments can be scheduled no earlier than 120 days in advance of your program start date.** Bring to your interview all the documentation you presented to obtain your Form I-20 as well as your SEVIS Fee receipt, your Form I-20, your academic records and tests scores, your letter of admission, scholarship letter (if applicable) and proof of compelling ties. (Please note---Canadian citizens do not need to complete Form DS-160, but you are required to pay the SEVIS I-901 fee.)

Compelling ties are those things that tie you to your country and which prevent you from permanently moving to the United States. The best proofs of compelling ties are family ties, property, and previous U.S. travel. Be aware that the interview will be conducted in English. Prepare yourself so you can answer questions about your intention to study at Sacred Heart University.

ENTERING THE UNITED STATES

Make sure to carry the following documents with you when traveling:

- Valid Form I-20
- Valid passport
- Valid U.S. visa
- Your financial documentation
- Sacred Heart University's letter of admission
- Receipt of SEVIS Fee; Form I-901

On the airplane (or means of transportation) you will be given an I-94 card. Complete this card and present it at the port of entry. U.S. Customs and Border Protection (CBP) has automated the arrival/departure process and an electronic record will be created. After arriving in the U.S., your admission number and electronic I-94 record can be obtained through the website www.cbp.gov/I-94
