## Policy Document for Specially Abled Persons

Sir C R Reddy College of Pharmaceutical Sciences was established in the year 2007 with the aim of bringing quality education to the rural students of West Godavari district. In its society policy, they have taken an initiation to take proper measures to look after the needs of the differently abled students joining the pharmacy course. The college recognizes that persons with disabilities are equally treated with that of other students to provide an equal opportunity, protection of their rights and full participation in the academic environment.

On the other hand, the Government of India has formulated the national policy for persons with disabilities in February 2006 which deals with the educational rehabilitation of persons with disabilities. The Department of Empowerment of Persons with Disability (DEPwD), Ministry of Social Justice & Empowerment, Govt. of India, had launched the Accessible India Campaign (Sugamya Bharat Abhiyan) as a nation-wide flagship campaign for achieving universal accessibility for persons with Disabilities. These Governmental policies were taken up and initiated by our college.

Our institution, Sir C R Reddy College of Pharmaceutical Sciences has taken initiation in coming up with the following objectives for implementation of this barrier-free policy for the persons with disabilities.

1. To build ramps and lifts for easy access to classrooms.
2. To build Divyangyan friendly washrooms.
3. To provide proper sign posts, display boards and tactile paths for easy access to classrooms.
4. To provide wheel chairs and necessary facilities in the campus for barrier free movement of persons with disabilities.
5. To provide necessary provision for hassle-free services, enquiry and information.
6. To provide necessary human assistance.

The institution as per the guidelines of the government and that of the Affiliating University will ensure that the persons with disabilities are encouraged.

## POLICY ON GREEN CAMPUS

Sir Cattamanchi Ramalinga Reddy Educational Institutions, Eluru is a gigantic society running various educational institutions viz., Pharmaceutical Sciences, Engineering, Education, Degree, Polytechnic, and Public School etc. The society aims to initiate "Green Campuses" across its various institutions to safe guard the students from environmental, sound and air pollutions. It imparts a clean and green environment for bringing up green campuses for paving a calm and peaceful ambient study environment.

Sir C R Reddy College of Pharmaceutical Sciences (SCRRCOPS) which runs under this great gigantic society, imparting Pharmacy education to the students for over a decade. The institute aims to initiate the campus with lustering trees, medicinal plants for creating a healthy study environment. The institute also focuses on other various initiatives like, encouraging the students to use bicycles and battery operated e-bikes, preventing use of plastics by encouraging to use organic materials like green leaves, non-disposable steel containers etc. and landscaping the entire campus with plantation of trees of ornamental and medicinal use.

As health care professionals, we take it as our prime responsibility to initiate, take utmost care in initiating and educating the society in practicing good clean and green practices for healthy living life style.

The green campus concept offers our institution the opportunity to take the lead in redefining its environmental culture and developing new ideas by creating a sustainable solution to environmental, social and economic needs of the students, staff and society.

### Objectives of the "Go Green" Program

1. To establish a viable green campus committee, within the organizational structure of the institute.
2. To initiate this goal a "Policy Document" rolling out the strategic plans, that need to be taken up for successful implementation.
3. To protect and conserve ecological systems and resources within the campus.

  
PRINCIPAL  
Sir C.R.Reddy College of  
Pharmaceutical Sciences  
ELURU-534007

4. To work with all the stake holders and local organizations to raise awareness and seek the adoption of good environmental practices and reduction of any adverse effects to the environment.
5. To impart proper training in handling solid waste garbage and purchase of environment friendly supplies for effective re-cycling processes.
6. To continuously improve the efficient use of all resources, including energy and water.
7. To reduce the amount of solid waste produced.
8. To take proper measures in recovering and recycling water where ever possible.
9. To make the campus, free from Plastic usage.

Every individual of **Sir C R Reddy College of Pharmaceutical Sciences** will work, may he/she be a student, faculty and support staff to foster a culture of self-sustainability and make the entire campus environmental echo - friendly.

**GreenCampusInitiatives:**

1. Installation of Solar Power Station
2. Waste water management and Rain water harvesting
3. Plastic free campus
4. Tree plantation drive
5. Use of LED electric bulbs

**Sir C R Reddy College of Pharmaceutical Sciences** has taken up an initiative to create awareness on "Green Campus" to students and staff. To protect its own environment with its green campus initiative and keep pollution free campus.

## REPORT ON GREEN CAMPUS INITIATIVES

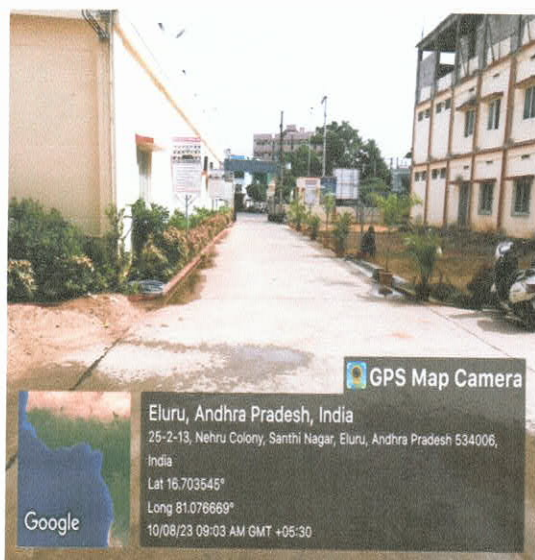

The institution “Sir C R Reddy College of Pharmaceutical Sciences” (CRRCOPS), Eluru is committed to provide a safe, secure, harmonious working and healthy learning environment for the betterment of the students. The following are the activities that are initiated by the institution which are as follows:

1. No entry of vehicles into the campus
2. Environmental Conservation
3. Landscaping with trees and plants

### 1. No Entry of vehicles into the campus:

Sir C R Reddy College of Pharmaceutical Sciences (CRRCOPS) is a premier institution in the town of Eluru of West Godavari District. The program on “No entry of vehicles into the campus” is taken as a task to support global warming and environmental protection against pollution to support the government environmental protection policy.

On every **WEDNESDAY**, the college has taken an initiation to allow only 25% of the vehicles into the campus. The main aim is to encourage use of public transportation, vehicle pooling, use of bicycles and e-bikes usage etc. In doing so, the carbon emissions can be minimized to some extent protecting the ozone layer.

### 3. Landscaping with trees and plants:

The "CRRCOPS", is a socially responsible institution that takes pride in beautifying its campus with lush greenery. For this initiation has taken place to increase the greenery in the campus by planting trees of medicinal, ornamental use. The college takes full advantage of this resource and with the help of NSS Volunteers, the plantation program is conducted.
