## Minutes of IQAC Meeting in the Academic Year 2022-23

Date: 09.06.2023

### Name of the Stakeholder: Student

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Students' feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

| S.No | Question   | Feedback /Concern | Percentage Consensus | Action to be Taken   |
|------|--|-------------------|----------------------|--|
| 1    | Are the classrooms well-equipped and comfortable for learning?                 | Excellent         | 97                   | We will upgrade the facilities by investing in state-of-the-art equipment and ensure comfortable seating arrangements to enhance learning experience.                  |
| 2    | Is the library adequately stocked with relevant books and resources?           | Excellent         | 98                   | We will continue the same rigor to increase the output   |
| 3    | Are the computer labs equipped with up-to-date technology and software?        | Very Good         | 95                   | We will ensure the labs are equipped with up-to-date technology and software, thereby provide students with necessary tools for academic & practical needs.            |
| 4    | Are the sports facilities sufficient and well-maintained?                      | Excellent         | 96                   | We will enhance and maintain the sports facilities to ensure they are sufficient and in good condition for students' use.  |
| 5    | Are the campus grounds and common areas clean and well-maintained?             | Excellent         | 97                   | We will keep the campus grounds and common areas clean and well-maintained for everyone's comfort.   |
| 6    | Are the restrooms clean and easily accessible throughout the campus?           | Very Good         | 95                   | We will maintain clean and easily accessible restroom facility throughout campus, ensuring the convenience and hygiene of students, staff, and visitors in the future. |
| 7    | Are the food services and cafeteria meeting your expectations?                 | Very Good         | 95                   | We will make necessary improvements to meet expectations regarding food services and the cafeteria, ensuring a more satisfactory dining experience for everyone.       |
| 8    | Are there adequate facilities for students with special needs or disabilities? | Excellent         | 98                   | We will continue the same rigor to increase the output   |
| 9    | Is there a reliable internet connection available across the campus?           | Very Good         | 95                   | We will improve the campus-wide internet connection to make it reliable and accessible for all students and staff.   |
| 10   | How would you rate the overall facilities provided by the college?             | Excellent         | 98                   | We will continue the same rigor to increase the output   |

## Minutes of IQAC Meeting in the Academic Year 2022-23

Date: 09.06.2023

### Name of the Stakeholder: Staff

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Staff feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

| S.N | Question   | Feedback /Concern | Percentage Consensus | Action to be Taken   |
|-----|--|-------------------|----------------------|--|
| 1   | Are the classrooms well-equipped and comfortable for learning?                 | Excellent         | 99                   | We will continue the same rigor to increase the output   |
| 2   | Is the library adequately stocked with relevant books and resources?           | Excellent         | 99                   | We will continue the same rigor to increase the output   |
| 3   | Are the computer labs equipped with up-to-date technology and software?        | Excellent         | 98                   | We will continue the same rigor to increase the output   |
| 4   | Are the sports facilities sufficient and well-maintained?                      | Excellent         | 97                   | We will enhance and maintain the sports facilities to ensure they are sufficient and in good condition for students' use.  |
| 5   | Are the campus grounds and common areas clean and well-maintained?             | Excellent         | 98                   | We will keep the campus grounds and common areas clean and well-maintained for everyone's comfort.   |
| 6   | Are the restrooms clean and easily accessible throughout the campus?           | Excellent         | 97                   | We will maintain clean and easily accessible restroom facility throughout campus, ensuring the convenience and hygiene of students, staff, and visitors in the future. |
| 7   | Are the food services and cafeteria meeting your expectations?                 | Excellent         | 98                   | We will make necessary improvements to meet expectations regarding food services and the cafeteria, ensuring a more satisfactory dining experience for everyone.       |
| 8   | Are there adequate facilities for students with special needs or disabilities? | Excellent         | 99                   | We will continue the same rigor to increase the output   |
| 9   | Is there a reliable internet connection available across the campus?           | Excellent         | 96                   | We will improve the campus-wide internet connection to make it reliable and accessible for all students and staff.   |
| 10  | How would you rate the overall facilities provided by the college?             | Excellent         | 98                   | We will continue the same rigor to increase the output   |

## Minutes of IQAC Meeting in the Academic Year 2021-22

Name of the Stakeholder: Student

Date: 13/06/2022

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, College Academic Committee convened a meeting with all of the in-charges and HoDs under the Head of the Institution. Students' feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

| S.No | Question   | Feedback /Concern | Percentage Consensus | Action to be Taken   |
|------|--|-------------------|----------------------|--|
| 1    | Are the classrooms well-equipped and comfortable for learning?                 | Very Good         | 95                   | We will upgrade the facilities by investing in state-of-the-art equipment and ensure comfortable seating arrangements to enhance learning experience.  |
| 2    | Is the library adequately stocked with relevant books and resources?           | Excellent         | 97                   | We will conduct a thorough evaluation of the current book collection and taking necessary steps to ensure that the library is adequately stocked with relevant books and resources in the future |
| 3    | Are the computer labs equipped with up-to-date technology and software?        | Very Good         | 94                   | We will ensure the labs are equipped with up-to-date technology and software, thereby provide students with necessary tools for academic & practical needs.                                      |
| 4    | Are the sports facilities sufficient and well-maintained?                      | Very Good         | 95                   | We will enhance and maintain the sports facilities to ensure they are sufficient and in good condition for students' use.  |
| 5    | Are the campus grounds and common areas clean and well-maintained?             | Very Good         | 95                   | We will keep the campus grounds and common areas clean and well-maintained for everyone's comfort.   |
| 6    | Are the restrooms clean and easily accessible throughout the campus?           | Very Good         | 94                   | We will maintain clean and easily accessible restroom facility throughout campus, ensuring the convenience and hygiene of students, staff, and visitors in the future.                           |
| 7    | Are the food services and cafeteria meeting your expectations?                 | Very Good         | 93                   | We will make necessary improvements to meet expectations regarding food services and the cafeteria, ensuring a more satisfactory dining experience for everyone.                                 |
| 8    | Are there adequate facilities for students with special needs or disabilities? | Excellent         | 97                   | We will ensure that there are suitable facilities available to cater to the needs of students with special needs or disabilities, promoting inclusivity and accessibility on campus.             |
| 9    | Is there a reliable internet connection available across the campus?           | Very Good         | 93                   | We will improve the campus-wide internet connection to make it reliable and accessible for all students and staff.   |
| 10   | How would you rate the overall facilities provided by the college?             | Excellent         | 96                   | We will actively work to enhance the overall facilities provided by the college, striving to meet the expectations of students, staff, and stakeholders.   |

## Minutes of IQAC Meeting in the Academic Year 2021-22

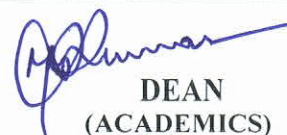

Date: 13/06/2022

### **Name of the Stakeholder: Staff**

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities, College Academic Committee convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Staff feedback above 90% is considered positive feedback and below that is negative feedback and we are working for the environment.

| S.No | Question   | Feedback /Concern | Percentage Consensus | Action to be Taken   |
|------|--|-------------------|----------------------|--|
| 1    | Are the classrooms well-equipped and comfortable for learning?                 | Excellent         | 97                   | We will upgrade the facilities by investing in state-of-the-art equipment and ensure comfortable seating arrangements to enhance learning experience.  |
| 2    | Is the library adequately stocked with relevant books and resources?           | Excellent         | 96                   | We will conduct a thorough evaluation of the current book collection and taking necessary steps to ensure that the library is adequately stocked with relevant books and resources in the future |
| 3    | Are the computer labs equipped with up-to-date technology and software?        | Excellent         | 97                   | We will ensure the labs are equipped with up-to-date technology and software, thereby provide students with necessary tools for academic & practical needs.                                      |
| 4    | Are the sports facilities sufficient and well-maintained?                      | Excellent         | 96                   | We will enhance and maintain the sports facilities to ensure they are sufficient and in good condition for students' use.  |
| 5    | Are the campus grounds and common areas clean and well-maintained?             | Excellent         | 97                   | We will keep the campus grounds and common areas clean and well-maintained for everyone's comfort.   |
| 6    | Are the restrooms clean and easily accessible throughout the campus?           | Very Good         | 95                   | We will maintain clean and easily accessible restroom facility throughout campus, ensuring the convenience and hygiene of students, staff, and visitors in the future.                           |
| 7    | Are the food services and cafeteria meeting your expectations?                 | Excellent         | 96                   | We will make necessary improvements to meet expectations regarding food services and the cafeteria, ensuring a more satisfactory dining experience for everyone.                                 |
| 8    | Are there adequate facilities for students with special needs or disabilities? | Excellent         | 98                   | We will continue the same rigor to increase the output   |
| 9    | Is there a reliable internet connection available across the campus?           | Very Good         | 94                   | We will improve the campus-wide internet connection to make it reliable and accessible for all students and staff.   |
