Minutes of Meeting

The meeting commenced at the boardroom of SIR CRRCOPS on February 19th, 2022, at 3:30 PM, with the Chairperson warmly welcoming all IQAC members. The ensuing discussion encompassed the following key points:

S.No	Agenda Point	Discussion
1	To assess academic engagements and various activities within the college.	A detailed analysis of student performance was presented, highlighting areas of improvement, and commendable achievements. The meeting addressed the methods and frequency of assessment and evaluation processes
2	To discuss the ways to promote R&D activities	Discussed about allocating dedicated resources, both financial and infrastructural to support R&D initiatives. The committee discussed the benefits of fostering collaborations between faculty members, departments and external institutions or industries.
3	To discuss about quality improvement programs for teaching and non-teaching faculty	Discussed about organizing workshops and training sessions aimed to enhance teaching methodologies, classroom management and student engagement strategies for faculty members. The committee explored the implementation of individualized professional development plans for faculty.
4	To review the status of NAAC documentation work	Discussed about the documentation of evidence and information for each criterion outlined by NAAC. The meeting addressed the identification and inclusion of appropriate quality metrics and performance indicators to demonstrate the institution's strengths and areas for improvement in various aspects

Minutes of Meeting

The meeting was initiated in the board room of SIR CRRCOPS On February 10th 2023, at 2:00 PM with the Chairperson warmly greeting all IQAC members. The ensuing deliberation covered the subsequent agenda items.

S.No	Agenda Point	Discussion
1	To explore initiatives to promote eco-friendly practices within the college.	Reviewed existing eco-friendly practices and initiatives within the college premises and discussed new initiatives to reduce waste, conserve energy, and promote eco-friendly habits. Discussed strategies to involve and Create awareness among students about the importance of eco-friendly practices.
2	To discuss infrastructure upgrades for improved learning	Evaluated the existing infrastructure, including classrooms, laboratories, libraries, and technology resources. Assessed the need for updated equipment, safety measures, and space optimization in laboratories. Evaluated the availability of up-to-date books, journals and e-resources in the library. Discussed measures to make the infrastructure more accessible.
3	To discuss about campus placements for outgoing students.	Discussed the strategies for enhancing placement opportunities, including networking, skill development, and industry collaborations. Explored programs to prepare students for interviews, resume building, and other aspects of the placement process.
4	To discuss about internships and project works for Pharm - D students	Discussed available internship options, within healthcare settings. Discussed the duration, scheduling, and structure of internships, ensuring a balanced learning experience. Discussed methods for selecting and supervising project topics.
5	To assess the progress of the NAAC documentation work	The committee reviewed the completeness of the NAAC documentation, ensuring that all required sections, data, and evidence are adequately presented. The committee examined how well the documentation aligns with the specific criteria set by NAAC for assessment

Minutes of Meeting

The meeting commenced in board room of SIR CRRCOPS on 17.06.2023 at 3:30 PM and the Chairperson extended a warm welcome to all IQAC members. The following points were discussed in meeting

S.No	Agenda Point	Discussion
1	To analyze faculty-student ratio and workload distribution.	Analyzed the workload distribution among faculty members, considering teaching, research, and administrative responsibilities. Discussed how the faculty-student ratio impacts classroom interactions, engagement, and personalized attention. Evaluated the potential for faculty to engage in meaningful research and provide effective mentoring with the current ratio
2	To discuss about IQAC feedback analysis on facilities.	Presented an overview of the feedback received on college facilities. Discussed the criteria used by the IQAC to evaluate various facilities within the college and action taken.
3	To review placement activities, industry tie-ups, and career counseling efforts.	Reviewed the success rate of recent placements and internships to gauge effectiveness. Discussed the effectiveness of current career counseling efforts in guiding students towards suitable career paths.
4	To review student academic progress, identify slow learners, and discuss strategies for academic intervention and support.	Discussed methods and criteria for identifying students who may be facing challenges in their academic progress. Reviewed result analysis. Evaluated the effectiveness of existing tutoring and mentoring initiatives and proposed improvements. Discussed strategies to provide necessary academic support to slow learners based on their individual needs
5	To assess the availability and accessibility of Pharmacy-related literature, resources, and databases in the college library.	Assessed the current availability and quality of resources, and databases in the college library. Reviewed the process for renewing subscriptions and acquiring new resources to enhance the library's collection.
