Programme Report

Name of the Program	: A One day seminar on “How to improve ICT Skills”
Date	: 16.12.2022
Time	: 1:30 PM-4:30PM
Venue	: Seminar Hall
Resource Person Details	: Name: N. B.V. Sivaram, Professor & HOD, Department of Pharmaceutics, Sir CR RCOPS, Elur Email Id: nbvshivaram@gmail.com 9490536945
Name of the Co-ordinator	: E. Jajili Assistant Professor Department of Pharmaceutical Chemistry

Sir C R Reddy College of Pharmaceutical Sciences conducted a one day seminar on “How to improve ICT Skills” for IV B. Pharm students by N. B.V. Sivaram. Students learned the steps to improve ICT Skills such as practicing the usage of technology, watching the tutorials on-line, getting practical experience with technology, remain updated with technology trends, study job descriptions and join a technology community. These are very helpful for them to improve the skills in their work place. The management and principal appreciated N.B.V. Sivaram for training the students effectively. A total of 58 students were participated in this program and after the completion of the program they were able to understand the following objectives and learning outcomes.

Objectives :

1. To know about the Importance of ICT Skills and how to improve them.
2. To learn about the significance of these skills in pursuing a job that involves working with technology.
3. To impart practical knowledge on the above mentioned programmes.

Topics covered:

1. Fundamentals of Importance of ICT Skills such as Data Management, Desktop Publishing and Collaboration and their applications.
 2. The steps to improve ICT Skills such as practicing the usage of technology, watching the tutorials on-line, getting practical experience with technology, remain updated with technology trends, study job descriptions and join a technology community.
 3. These are very helpful for them to improve the skills in their work place.
- Review on the feedback and practical knowledge acquired by the students.

Learning outcomes:

1. Significance of ICT Skills and the steps to improve ICT Skills such as practicing the usage of technology, watching the tutorials on-line, getting practical experience with technology, remaining updated with technology trends, studies job descriptions and join a technology community. These are very helpful for them to improve the skills in their work place.
2. Significance of ICT Skills in professional life.
3. Improve these skills and knowledge acquired by the students that will be more helpful for their job which involves working with technology.

Programme Report

Name of the Program : One day seminar on Computer Skills and Applications
Date : 24.11.2020
Time : 1:30 PM-4:30PM
Venue : Class Room
Resource Person Details : Name: K.N. Madhavi Latha, CSE Dept,
Assistant Professor
Sir CR Reddy College of Engineering, Elur
Email Id: kakarla.nml@gmail.com
9030886003
Name of the Co-ordinator : E. Jajili
Assistant Professor
Department of Pharmaceutical Chemistry
Number of students attended: 58

Sir C R Reddy College of Pharmaceutical Sciences conducted “**Computer Skills and Applications**” for B. Pharm first year students by K.N. Madhavi Latha. Students were taught Basics like How to use a computer and their applications in all aspects of learning the fundamentals. Each student was given a system to learn practically. Student feedback was taken at the end of the classes. The management and principal appreciated K.N. Madhavi Latha for training the students effectively. Totally 58 students were participated in this program and after the completion of the program they were able to understand the following objectives and learning outcomes.

1. To know about the basics of computer skills and their applications
2. To learn about the creating of new files for the above mentioned programmes.
3. To impart practical knowledge on the above mentioned programmes.

Topics covered and Learning outcomes

1. Fundamentals of the basics of computer skills and their applications
2. Review on the feedback of the students for the session.
3. Review on the practical knowledge acquired by the students.

Number of students attended: 62

Sir C R Reddy College of Pharmaceutical Sciences conducted “Introduction, Importance and Applications of Information and Communication Technology Skills” for III B. Pharm students by K.N. Madhavi Latha. Students were taught the importance and applications of various types of ICT and Computing Skills and it was planned to give a system to each student to learn practically. The significance of these skills in pursuing a job that involves working with technology. Student feedback was taken at the end of the classes. The management and principal appreciated K.N. Madhavi Latha for training the students effectively. Totally 62 students were participated in this program and after the completion of the program they were able to understand the following objectives and learning outcomes.

Objectives :

1. To know about the Importance and Applications of Information and Communication Technology Skills.
2. To learn about the significance of these skills in pursuing a job that involves working with technology.
3. To impart practical knowledge on the above mentioned programmes.

Topics covered:

1. Fundamentals of Importance of Information and Communication Technology Skills and their applications.
2. Review on the feedback of the students for the session.
3. Review on the practical knowledge acquired by the students.

Learning outcomes:

1. Significance of Information and Communication Technology Skills and their applications.
2. Significance of Information and Communication Technology Skills in professional life.
3. Improve these skills and knowledge acquired by the students that will be more helpful for their job which involves working with technology.

Total no. of students attended : 56

Sir C R Reddy College of Pharmaceutical Sciences conducted a one day seminar on “**ICT Skills: Data Management, Desktop Publishing and Collaboration and Applications**” for B. Pharm final year students by Naga Deepthi. Students were taught the importance and applications of Data Management to manage the database and Spread sheet software for business and organising the data, Desktop Publishing to work as a Graphic Designer and Collaboration skills to work with one or a group of people to complete a task or a project. Student feedback was taken at the end of the classes. The management and principal appreciated Naga Deepthi for training the students effectively. A total of 56 students were participated in this program and after the completion of the program they were able to understand the following objectives.

Objectives :

1. To know about the Importance and Applications of ICT Skills such as Data Management, Desktop Publishing and Collaboration.
2. To learn about the significance of these skills in pursuing a job that involves working with technology.
3. To impart practical knowledge on the above mentioned programmes.

Topics covered:

1. Fundamentals of Importance of ICT Skills such as Data Management, Desktop Publishing and Collaboration and their applications.
2. Review on Data Management and Spread sheet software, Desktop Publishing to work as a Graphic Designer and Collaboration skills.
3. Review on the feedback and practical knowledge acquired by the students.

Learning outcomes:

1. Significance of ICT Skills such as Data Management to manage the database and Spread sheet software for business and organising the data, Desktop Publishing to work as a Graphic Designer and Collaboration skills to work with one or a group of people to complete a task or a project.
2. Significance of ICT Skills in professional life.
3. Improve these skills and knowledge acquired by the students that will be more helpful for their job which involves working with technology.
